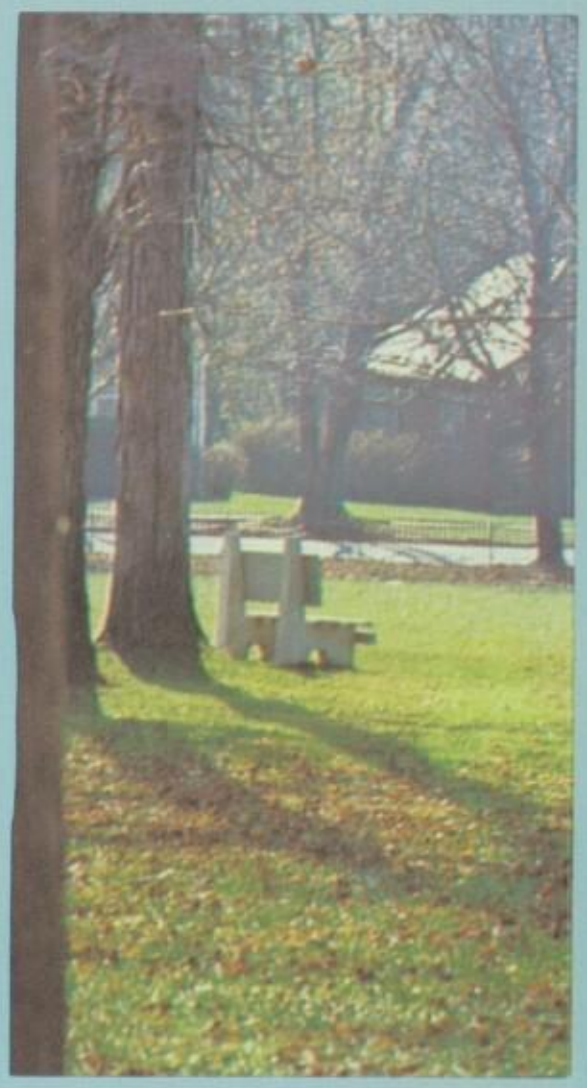
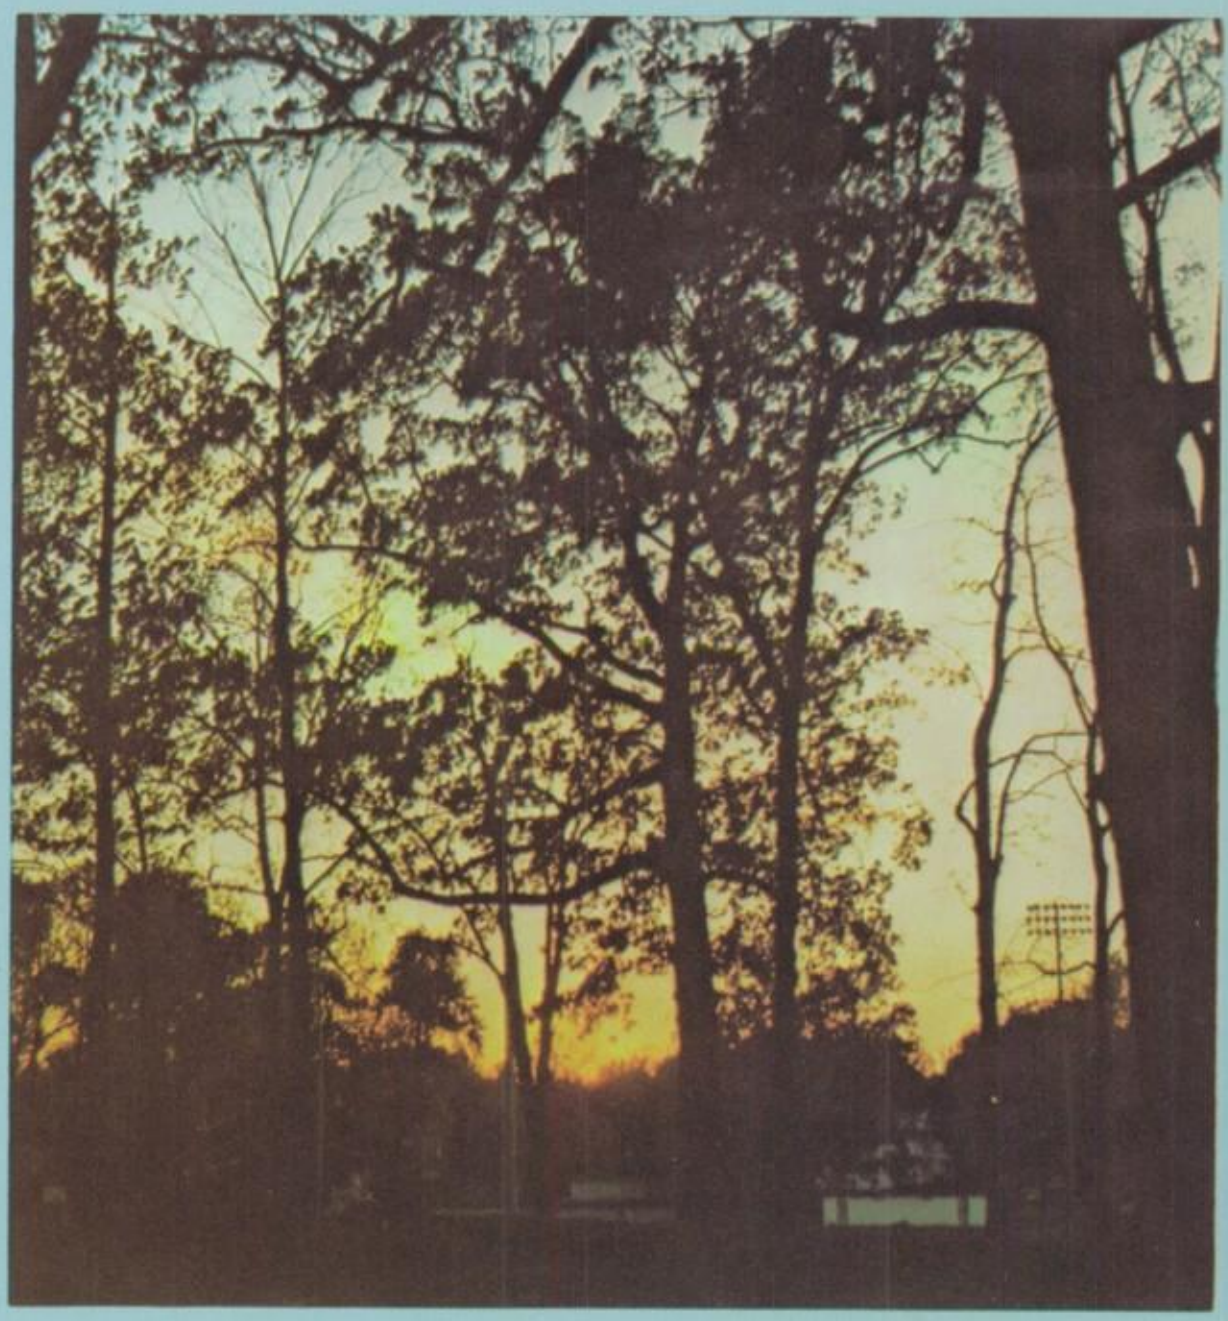
URBANA HIGH SCHOOL

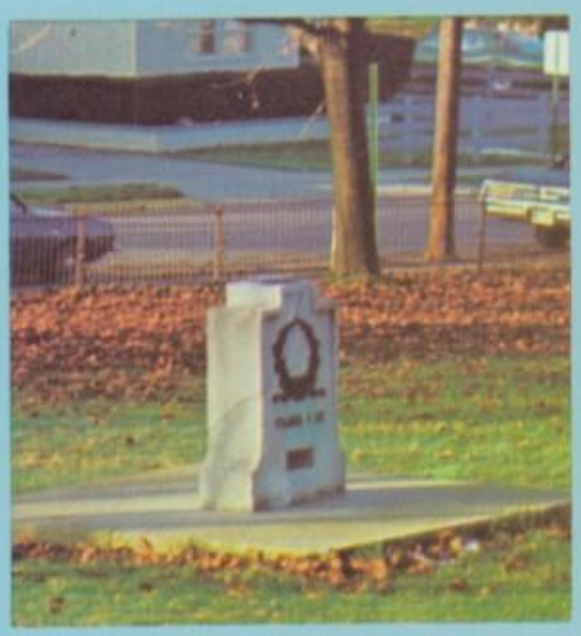
URBANA, OHIO

each day . . .



You drag yourself out of bed when the alarm clock rings, or after your Mom yells for you to get up. Having gulped down a glass of orange juice, you leave the house to catch a bus, sometimes making it - sometimes not. Finally, you arrive at school. Greeting friends, last minute homework, opening lockers - the day is in motion.





. . . brings a new beginning . . .

As the day rolls along, you sometimes think of the dull routine that you're in. But each day is different. The difference may be small, but it's there. Maybe it's an assembly during your hardest class, Career Day, or maybe it's stumbling over seats in the dark auditorium because someone forgot to turn on the lights.

. . . and a new ending

Eventually evening arrives - the best part of the day. If it's a weekend you might go to a party or a basketball game. Otherwise, reading books, doing homework or watching Happy Days on television pass away the hours until nighttime - and then a new day. Beginnings and endings - endings and beginnings - the little moments that become treasured memories.

Did you ever wish
for just once in your life
time would stop?
That it would just stand still
And you could go on living
one special moment
Over and over
And it would never end?
Then you realize
no matter how hard you wish
Time will never stand still
for anything.
Each day comes
bringing a new beginning
with new meaning.
Each day brings a new ending
leaving only the memories
Of how that day was spent
to take on to tomorrow . . .
another new day.

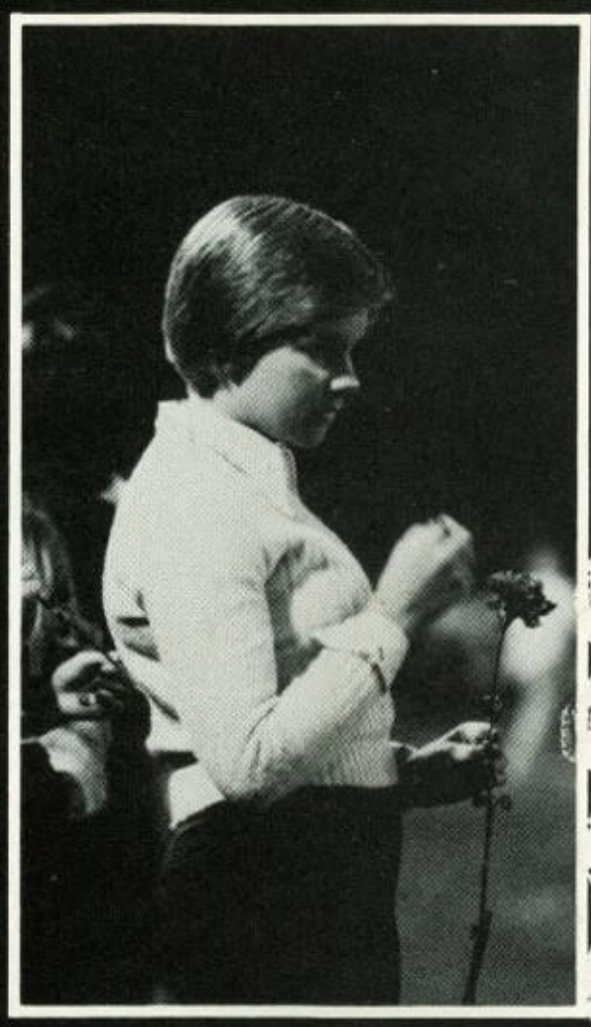
homecoming



This year, Homecoming began with the nominations for court. An assembly was held on the following Friday. The big moment was highlighted as a spotlight was taken around the audience on a search for the future Queen. Football players escorted each girl on to the stage. The pep rally was held the next Thursday which included a parade, the traditional bonfire and the announcing of the queen. The homecoming game was rainy, but no one's spirits were dampened as the Climbers defeated Greenon 20-0.

The Homecoming Dance was held the following night. The featured group, "Sunnaya," provided the music. The dance concluded the exciting events of homecoming.

kaleidoscope

Each year the Forensics League puts on a fall play. This year they tried something different. Rod McKuen's readings and music supplied the material for the production. It had a mixture of poems, songs, and dancing. The title, KALEIDOSCOPE, surely showed the mood. This entertainment provided for an enjoyable evening.

spirit week

Spirit Week - a week of enjoyment that every student anticipates with the ending of school and a change in the dull routine. This year's Spirit Week included assemblies for class officers and cheerleaders, field day, button day, and the week finally ended with the annual talent show.

graduation

Excitement radiated through the air at Urbana High School as the seniors received their caps and gowns during the last week of school. Inside rehearsal was the next step toward graduation and held in the auditorium under the direction of Mr. Walter. Finally commencement day arrived. The 1975 graduation ceremonies proceeded on June 1st without rain. Despite many anxious moments before, the rain let up in time for commencement. Retiring teachers Mrs. Smith and Mr. Pence held the honor of passing out diplomas along with school board members Mr. Webster, Mr. Buck, and Mr. Kirby. Superintendent Hildreth, leaving the school system after five years, presented scholarships and left the class with a brief message. Overall, graduation was a success, although many students worried whether or not their gowns were too long or if they would fall down the hill in their new shoes. But most students realized that this day was the start of a new beginning.

football

F is for the first game that turned to frustration under Graham's victory over the Hillclimbers.

O is for an optimistic outlook against Springfield Catholic Central. But it became another defeat for the Climbers. But look up, we haven't lost a conference game.

O is for overcoming. Northeastern fell to our mighty Climbers in the first league game.

T is for triumph over Greenon in our most happy homecoming game.

B is for battle between London and Urbans which ended in a tie.

A is for the way to a domineering game over Bellefontaine.

L is for lost which we did to Shawnee.

L is for losing once more. The second loss in the league came again to Shawnee in a wild card game.

I isfor inspiration achieved through the victory over Northeastern in the second wild card game.

S is for sadness that mounted as we lost our last game to Covington and as our seniors played their last game. But S is also for spirit which the mighty Climbers showed all year!

basketball

Basketball season was an exciting and active one. The players of all the teams improved with each game. In each meet, the guys showed their skills and determination. With the spirit of the cheerleaders, the band and fans to back the team up, our varsity did well at the tournaments. Brought back to the school was a trophy for winning the sectional championship. Unfortunately, that's as far as they got. We are proud of the efforts and spirit of all our basketball teams.

national honor society

The National Honor Society underwent a change this year. The new advisor, Mrs. Geitgey, provided new ideas for the club. The main project this year involved making stuffed Christmas stockings for the students at Lawnview. The NHS kept up the traditional tutoring of underclassmen and ended the year with the annual induction of new members.

in the know

This year's In-the-Know team consisted of young team members but proved to be outstanding. The team traveled to Columbus and competed against West Jefferson in tournament action, but were defeated. However, later in the year they once again journeyed to Columbus and in the challenge round defeated Canal Winchester by a great margin. The team secured Urbana High School a chance to compete against other schools for the coming year.

peter alexander

Peter Alexander, Urbana's exchange student sponsored by the Rotary Club, spent his senior year in Sweden. He studied a variety of subjects that occupied most of his time. However, in his free time, he admired the scenery and learned much about the host country's culture. He made many friends and enjoyed the lifestyle of Swedish people. Through this yearbook, he would like to express his thanks to those people who made it possible for his enjoyable stay in Sweden.

band

Band - a group of hardworking, dedicated people who give up some of their spare time to get involved in a group activity. This year the band played as usual at the County Fair as well as practicing many hours to perform at halftime during football games. A new try-out system began this year. After all band members had tried out, two bands were formed - the concert and symphonic bands. Throughout the year the band performed many times entertaining at the Care Center, Nursing Home, elementary schools, and once during Spirit Week for the high school.

The Choir presented five concerts. The first was the fall concert in October which was the Beatles' concert. At Christmas time, the two traditional concerts, one on Sunday afternoon and the Candlelight Concert on Christmas Eve were held. In April the Spring Sacred Concert was presented and during Night with the Arts, the Pops Concert was held.

The district contest was at Troy with the Choir rating superior. In the excitement, the bus left four people who had to ride the West Liberty bus home. A few weeks later, they traveled to the state contest at Ohio State and received an excellent. Choir Initiation was held May 27th at the city pool with the formal ceremony that evening.

The Language Club was a much improved organization during 1975. Attendance soared and everyone participated in the activities. The members enjoyed speakers, slides, a softball game, and a trip to the Center of Science and Industry in Columbus.

tower

TOWER - a barrel of laughs, hard work, and fun! The excitement of the new addition to the Berns' family. What a baby! The two trips to Enon to get new ideas for the book, and our Christmas present to our favorite teacher. Teaching the new kids how to crop pictures and trying to meet those deadlines. Finally our trip to Kings Island with Bob Buring and the finished product - TOWER '75.

librarians, broadcasting club and photography club

The Photography Club was a new addition this year. It consisted of members of the photography classes who were interested in and enjoyed the fun involved with taking pictures. The librarians were students who helped Mrs. Geitgey with the general functions of the library. They spent free time checking books in and out and putting them back on the shelves as well as helping the other students when possible. The Broadcasting Club with new advisor, Mr. Conley, was made up of WUHS Disc Jockeys and radio class members. They co-sponsored the D & R Deli at basketball games. Members of this club broadcasted the basketball games, had their own shows during school hours and at the beginning of the year some had night shows as well.

fha, office help, math club

The Future Homemakers of America include girls of all four grades who are striving to make their future homemaking easier and more fulfilling. They learn cooking, sewing and decoration ideas as well as take field trips and give demonstrations. The Math club is a fun organization that applies the skills of math to games to make them enjoyable learning experiences. Another group of people at school is the office help. They help the administrators and secretaries. Each day runs smoother because of them.

ffa and awe

Many of us don't really understand what the FFA is other than a group of farmers, but FFA is an organization that is very competitive. To really understand FFA you must be aware of the different competitions and awards for 1974-1975. Giving just some of the highlights of the year, Ron Broadstone took first place in Individual County Land Judging. Receiving Gold Rated and second in District Public Speaking Prepared Contest was Dan Evilsizor. Two State Farmers (2/100 members in state) were Gary Bodey and Wayne Maggort. Ron Kauffman placed second in Individual County Dairy Judging Contest.

This may give you an idea of FFA, but a better way is FFA Highlights, a weekly 15-minute program on W.C.O.M. radio.

chess club, owa and owe

1974-75 at UHS brought a new club. The Chess Club, headed by Mr. Bechberger, was started because of the growing interest in chess at the school. The Occupational Work Adjustment (OWA) was another club active this year. Led by Mrs. Snapp, this club helped interested freshmen find work around school or outside school. Another organization that helped working students was Occupational Work Experience (OWE). This club is for the upperclassmen who work half-days.

deca

"Let's Make Urbana DECA No. 1" sure came true this year as the two classes had a lot of spirit and came through with the winners. There were nine district winners with eight that went to state competition. Ruth Sunderland placed first in public speaking at state and went on to national competition in Hollywood, Florida, where she won a national gold medallion. Mike Church and Sandy Gruntz won state honorable mentions. Mike also made it down to the last ballot for state Vice-President. Along with winning, Urbana DECA had fund drives, banquets, luncheons, picnics, conferences, and more. All in all, Urbana DECA is now No. 1.

sparky, leaders club, climberettes

This year Sparky changed hands to Debi Keebaugh. She continued the tradition of cheering at pep rallies and kept up the Sparky Fan Club that was started three years ago. Zerk had her helpers again this year as always - the Leaders Club. The Leaders Club is a group of junior and senior girls who give their study halls to help Zerk by keeping the Phys. Ed. classes in control and leading exercises. The Climberettes started the basketball season with their opening show featuring Mame. Under the leadership of Zerk, they provided entertainment throughout the year, ending with their final show - Senior Night.

CHEERLEADERS - Mary Ellen Donahoe, Lissa Harrigan, Vicki Deere, Kathy Fenton, Noel Lingrell.

Our cheerleaders and pep squad cheered our team to numerous victories. The cheerleaders, with their everlasting spirit and smiles were a pleasant sight for everyone. At pep assemblies they brought spirit to the entire school and encouragement to the team.

The Varsity U is the group of people who have their varsity letters. To get in this club it takes a great deal of work and practice. This is a club that goes through some very unusual events to raise money, such as loading baby chicks for Kirby's and begging fellow students to buy candy.

VARSITY U - Front row: B. Hildreth, G. Canestraro, K. Fenton, R. Knull, G. DeCola, G. Holden, M. Rudolph, K. Haney. Second row: J. Rader, D. Keebaugh, L. Harrigan, C. Pearson, S. Webster, V. Deere. chronicle and sna

The CHRONICLE staff brought many changes to the school newspaper during 1974-75. The most outstanding was the printing and paper changes. Rather than using the traditional white paper, they changed to a regular newspaper type and the printing was no longer done in the graphic arts department, but rather in a professional shop. The SNA is made up of a small group of students who are interested in the field of nursing. They took field trips to the care center and to Riverside Hospital. They also did some community service projects.

SNA - Front row: C. Copeland, B. Green, L. Arnold. Second row: L. Baum, A. Rittenhouse, R. Berry, T. Akins. Third row: D. Rieckhoff, C. Dunbar, D. Rieckhoff, J. Banion, P. Church.

forensics

The Urbana High School Forensics League started full force with a large number of members this year. Urbana had the opportunity to host two tournaments during the 1974-75 season. At these contests as well as all the others they let everyone know that they were there. The season was highlighted by the big districts at Ohio University as Ted Kern, Danny Pearson and Leah Pearson led the team to the finals. Then, at the Ohio State Speech Finals, five members from Urbana received awards: Debbie Ballard, Ted Kern, Leah Pearson, Susan Eleyet, and Danny Pearson. On top of that, the annual winter formal proved to be a success.

ooea

IOE, COE, BOE, call them what you may, but they all boil down to one thing, office education. The skills learned are ones to be needed many years to come. The daily duration of the class is 3 hours for IOE, but time is used well as the girls get into routine of typing assignments, shorthand dictation, business machines, etc. Senior IOE also does quite a bit of work for teachers, such as typing tests, hand-outs, and one of the major projects they take on is the assembling, typing, duplicating of programs for banquets. The club, OOEA, achieved great success this year with Annette Hiltibran winning a first place award at the state level and sending Urbana's chapter of OOEA to Chicago for their national convention.

SENIOR IOE - Front row: V. Williams, S. Brentlinger. Second row: T. Harrington, E. Bennett, T. Instine. Third row: Mrs. Gray, K. Jackson, S. Walter, C. Snyder, J. Williams, C. Mahoney, D. Dunlavy, S. Arms, B. Castle.

school board

Ned Kirby

Al Webster

This year the school board had many problems to solve. The major problem seemed to be the fuel shortage. A decision to close school on Mondays in February was finally reached along with other ways to reduce fuel usage. However, schools were open again on Mondays in March after consultation with the gas company. A greater interest in the board's activities was taken by the student body and many students were found attending board meetings.

administrators

This school year had its share of hard times with the fuel shortage and some rather cold days, but our administration braved the storm. A new face was seen this year - Mr. Kennon. He was the one who checked cars in the parking lots and helped if a problem arose. Many of the administrators were at East Elementary, which left more room at the high school for offices and a new classroom. We didn't see them much, but occasionally they could be seen in the halls or popping in the door.

If you missed some faces around UHS this year, it's because some of the secretaries along with some administrators moved to the East Elementary building. All of these ladies work hard to help the administrators keep our school running smoothly. If you have a problem, the secretaries are always there to help you.

people that help

Sometimes you take these special people for granted. If someday they would be absent, it would create chaos because their services to you and the school are essential. Mr. Huhn and Mr. DeWitt are constantly busy helping students with college, scheduling, and other needs. Mrs. Geitgey, who was new to the library, has provided a pleasant change to its atmosphere. Our speech therapist, Miss Mulford, and our two nurses, Mrs. Markley and Mrs. Miller are always on the go. Not only do they serve the high school, but they take care of the whole school system. And finally the cooks, headed by Mrs. Moran, provide that nutritional meal that we all look forward to at lunch time.

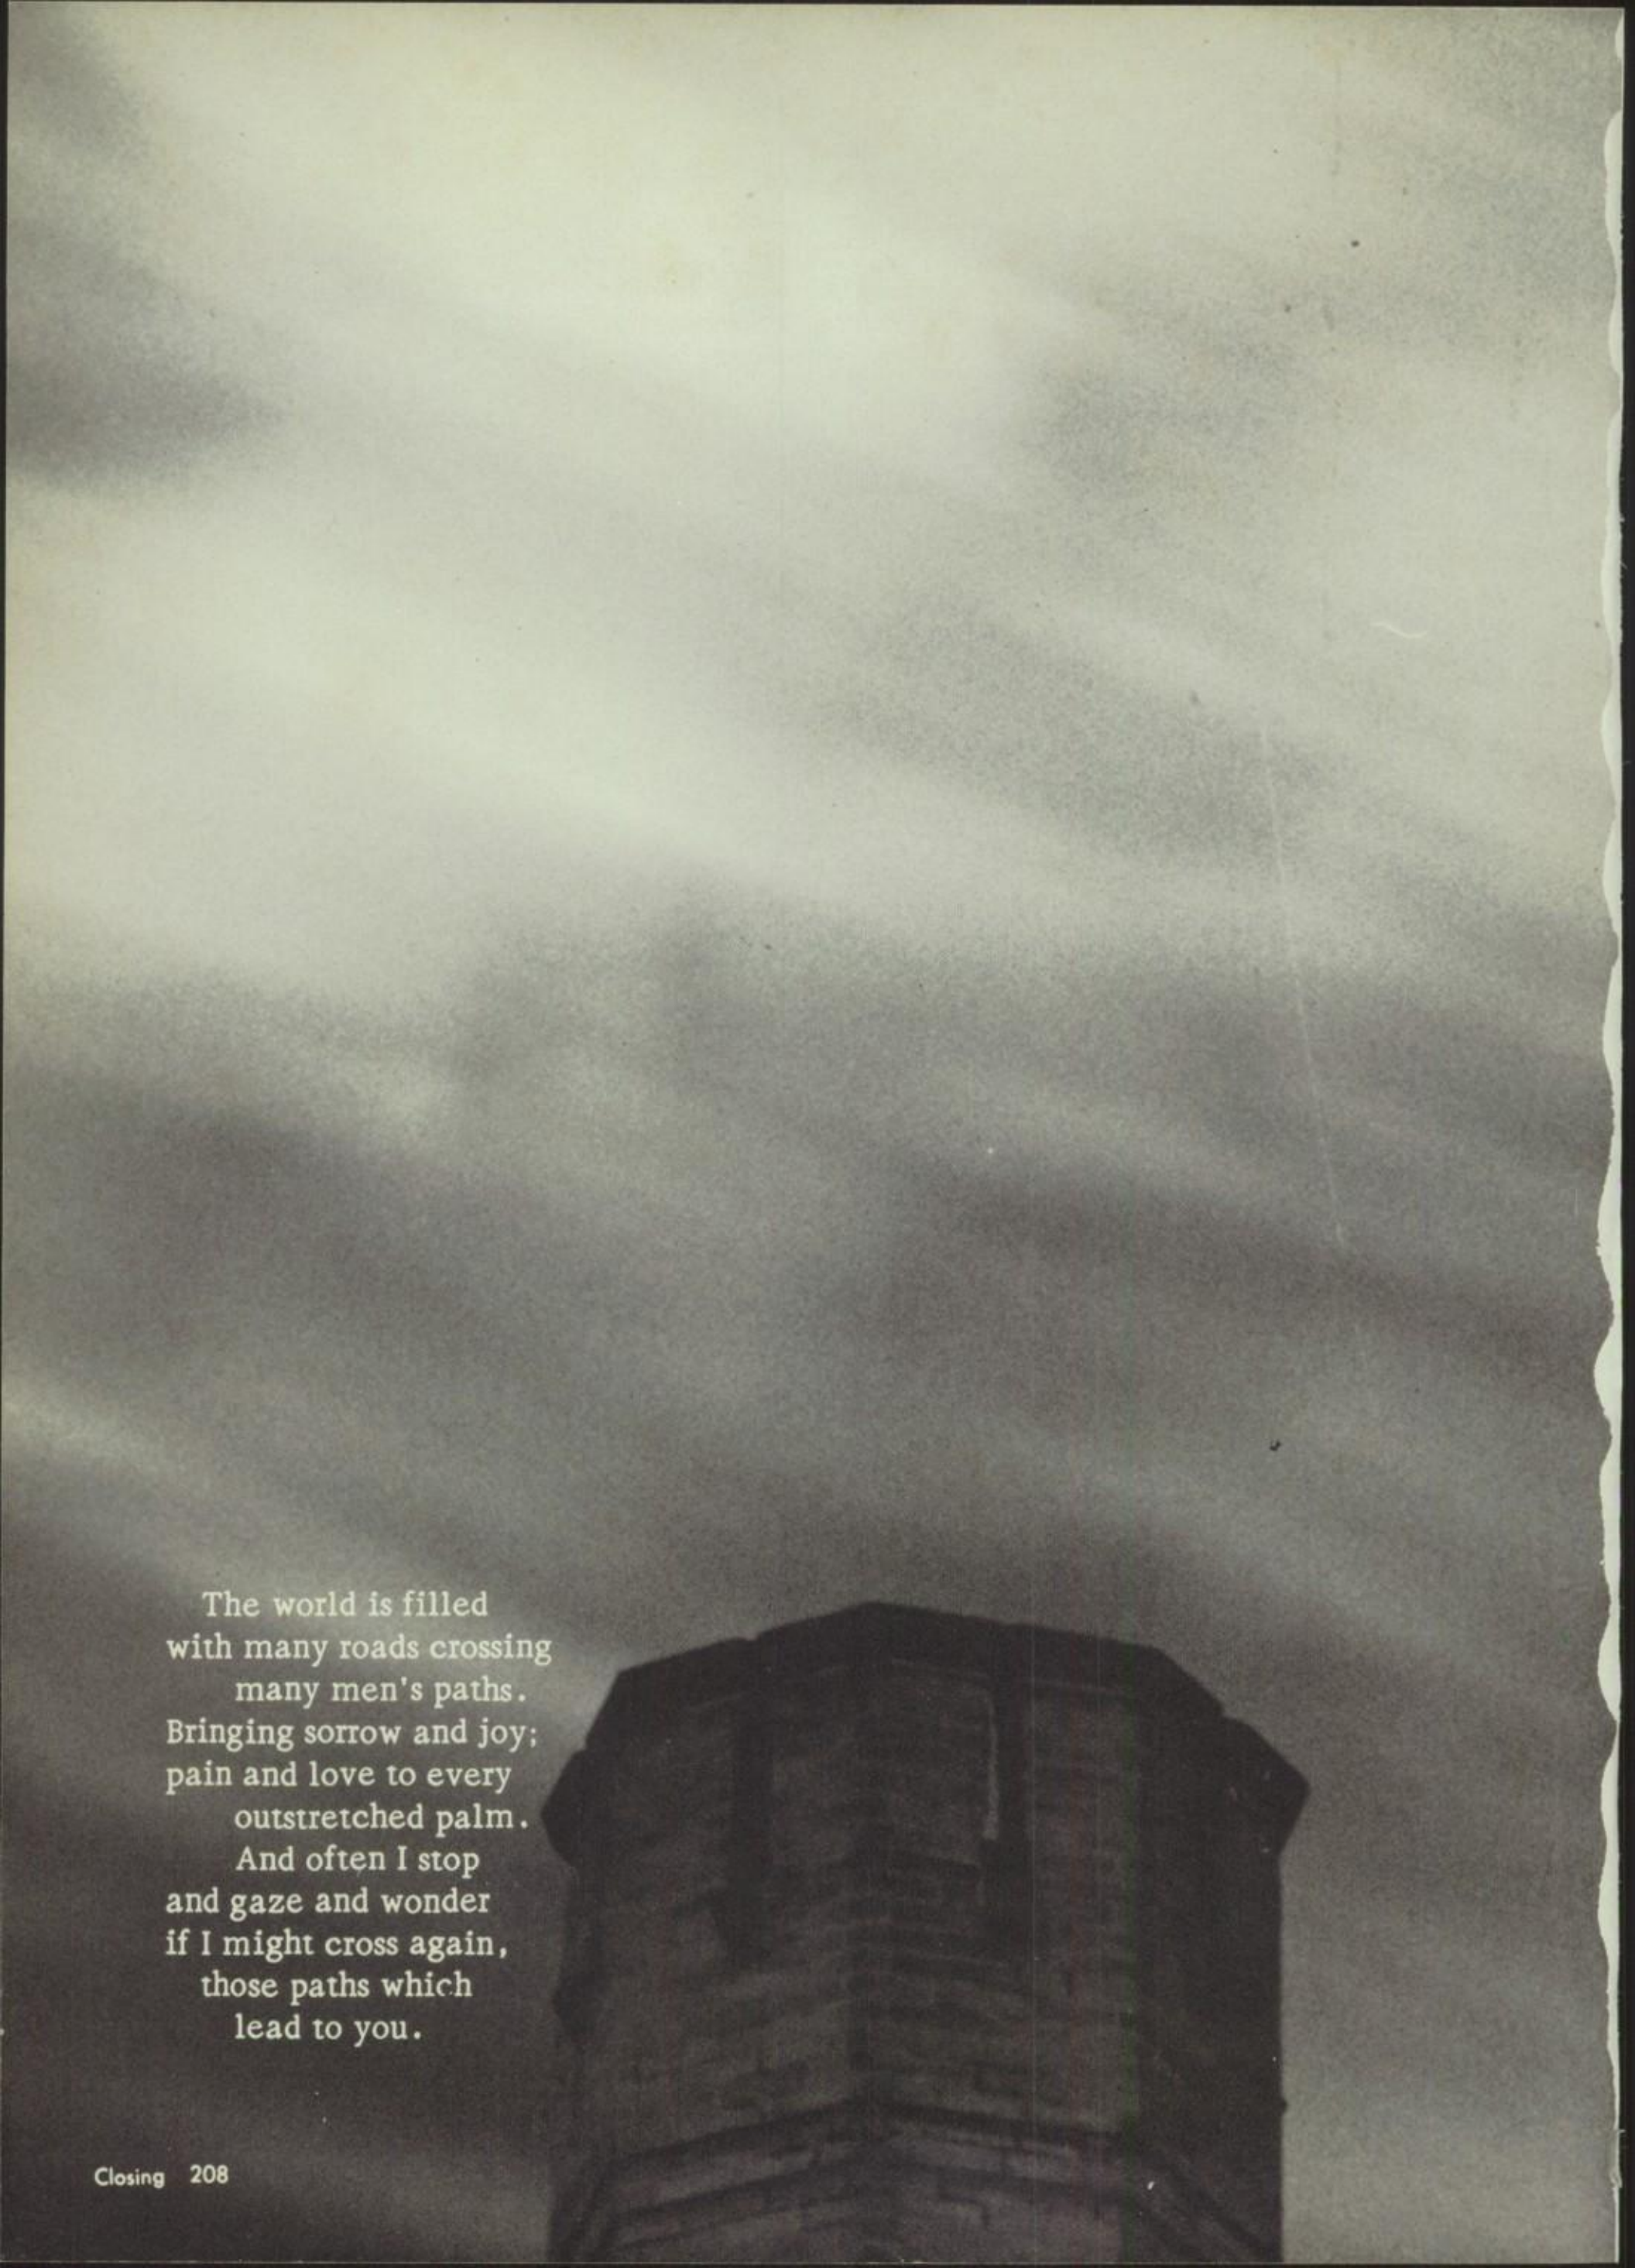
Finally the end of the year with all of the end-of-the-year activities. There was Prom, Spirit Week, the Awards Assembly, scheduling, Night with the Arts, Graduation, and just taking time to have some plain old fun. But through all of the excitement, the students didn't forget to say farewell to retiring teachers Mrs. Smith and Mr. Pence and superintendent Mr. Hildreth. As each student enjoyed the last few days of school, preparation was being made for the next school year. The next school year - minus a few faces, plus a few more new ones. You start the year again - one more year older. New beginnings - new endings. New endings - new beginnings.



The world is filled
with many roads crossing
many men's paths.
Bringing sorrow and joy;
pain and love to every
outstretched palm.
And often I stop
and gaze and wonder
if I might cross again,
those paths which
lead to you.
